4D COLLECTION

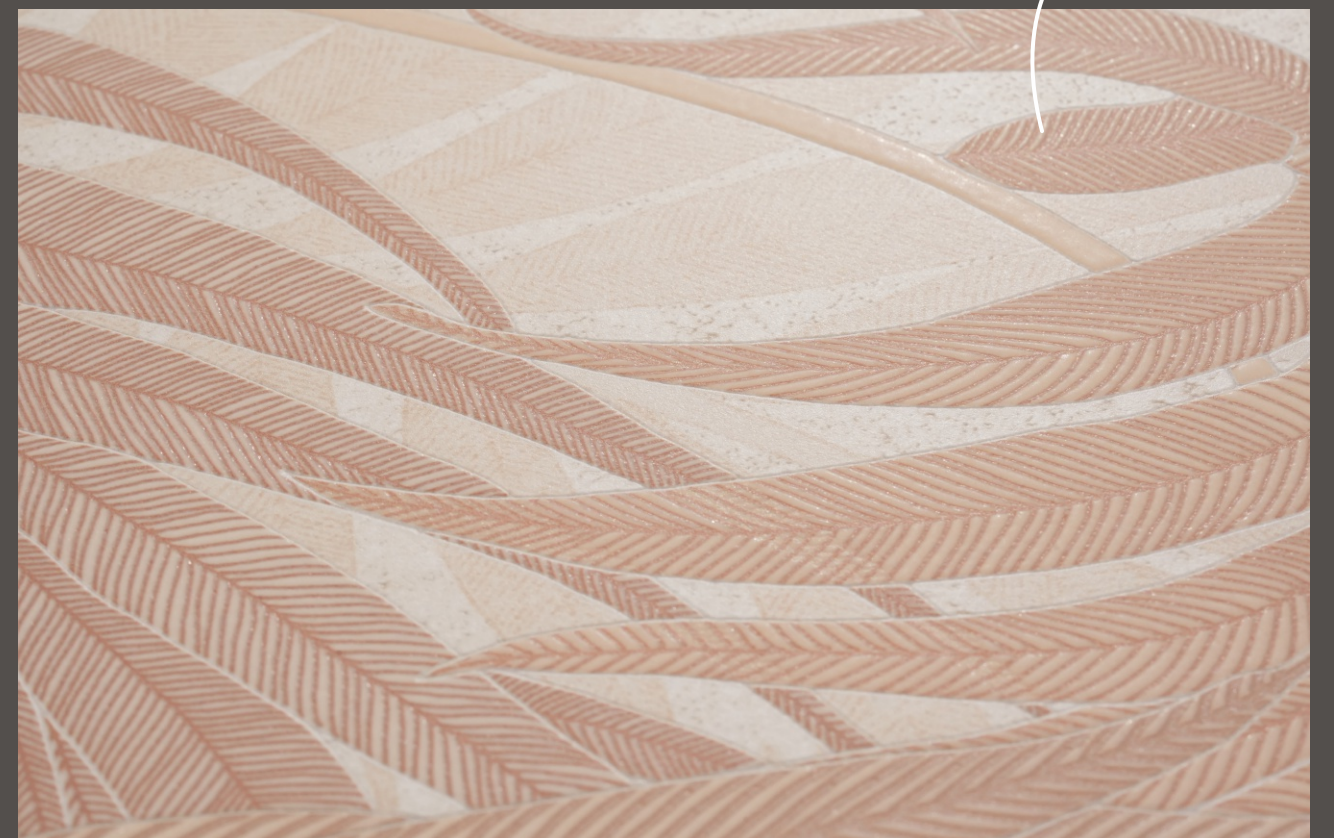

The 4D Collection is our innovative approach to redefining surface design by blending depth, dimension, and texture into a stunning visual experience. These tiles create a lifelike appeal through the use of advanced digital printing and surface layering technologies, resulting in finishes that are as tactile as they are visually striking.

4D+ COLLECTION

The 4D+ Collection is a step forward in innovation, elevating tile design with enhanced depth and detailing. It is a bold statement in design evolution, combining art and advanced technology to offer both luxurious appeal and architectural brilliance for any setting.

9mm Thickness

The Shape and Shape+Glue surfaces represent a breakthrough in tile design, offering striking patterns with exceptional depth and tactility. The Shape surface features various geometric and artistic patterns that infuse intensity and richness, while the Shape+Glue surface creates a dynamic embossed effect, adding both dimension and texture. Together, these surfaces showcase a brilliant reflection of light, enhancing the 3D quality and making them perfect for contemporary interiors.
